Mick Upton, Chris Kemp, Iain Hill : A Comparative Study of Crowd Behaviour at Two Major Music Events before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Comparative Study of Crowd Behaviour at Two Major Music Events:

A compilation of the findings of reports made at two major live music concerts, and in particular crowd behaviour. The book also offers advice on crowd safety, Health and Safety guidance for concerts, crowd control, management and

safety, and on the importance of planning events and being prepared.
