From Routledge : **Anton Chekhov at the Moscow Art Theatre: Illustrations of the Original Productions** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Anton Chekhov at the Moscow Art Theatre: Illustrations of the Original Productions:

The Moscow Art Theatre is still recognized as having more impact on modern theatre than any company in the world. This lavishly illustrated and beautifully produced facsimile edition of a Russian journal from 1914 documents, photographically, the premieres of all of Anton Chekhov's plays produced by the Moscow Art Theatre, including: *The Seagull, *Three Sisters*Uncle Vanya*Cherry Orchard*Ivanov. Edited by renowned theatre historian Vera Gottlieb, the volume also reproduces - for the first time in an English translation - introductions by Stanislavsky's collaborators Nemirovich-Danchenko and Efros. With 175 unique photographs, this is a significant contribution to our

understanding of the origins of today's theatre.
