Richard Bean : Bean Plays Four (Oberon Modern Playwrights) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bean Plays Four (Oberon Modern Playwrights):

England People Very Nicelsquo;A very funny but outrageous comedyhellip;makes you laugh then wonder whether

you should have. Financial Times The Big Fella's play is very funny, full of sharp contrasts between grim hilarity and gut-wrenching reversals. The Stage (Shortlisted for the Writers' Guild of Great Britain Best Theatre Play 2011) The Heretic's delicious... Above all, though, it is Bean's writing that scintillates. Pulsing with shrewd humour, it's risqué and linguistically rich. There are some blissfully surreal touches... The Heretic is clever, imaginative and entertaining theatre. Evening Standard Winner of the 2011 Evening Standard Theatre Best Play Award.
