Edward Bond : Bond Plays: 7: The Crime of the Twenty-First Century; Olly's Prison; Coffee (Contemporary Dramatists) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bond Plays: 7: The Crime of the Twenty-First Century; Olly's Prison; Coffee (Contemporary Dramatists):

The latest collection of plays by one of Europe's most important playwrights. **THE CRIME OF THE TWENTY-FIRST CENTURY**: The past has been abolished and geography - even the sky - is changed. A woman lives in a vast desert of white rubble. A tiny group of people comes seeking a hiding place - and is exposed to the deepest questions of human existence. **OLLY'S PRISON**: an ordinary city flat. Evening. A man tries to talk to his daughter. She will not answer. Slowly their world turns to tragedy and a search begins that lasts for years. **COFFEE**: A young man alone in a room. A stranger enters. Together they journey into a dark forest...When the men return to the daylight world, they are involved in a trivial incident. It is hardly more than a gesture - yet it is something that once happened and in its triviality captures the history of our century and confronts us with the deepest questions about ourselves."A great playwright - many, particularly in continental Europe, would say the greatest living English playwright." Independent "A play by one of Britain's greatest playwrights is an event." TES

"The greatest of post-war British playwrights' Lyn Gardiner, Guardian" About the Author...
