Chloeuml; Moss : Charged (NHB Modern Plays): Six plays about women, crime and justice before purchasing it in order to gage whether or not it would be worth my time, and all praised Charged (NHB Modern Plays): Six plays about women, crime and justice:

The heartbreaking truth about the lives of women in the criminal justice system is exposed in these six plays by some of the most exciting and distinctive female voices in British theatre. Commissioned and premiered by Clean Break, a theatre and education company working with women whose lives have been affected by the criminal justice system. The collection includes: *Fatal Light* by Chloe Moss; *Taken* by Winsome Pinnock; *Dream Pill* by Rebecca Prichard; *Doris Day* by E V Crowe; *Dancing Bears* by Sam Holcroft; *That Almost Unnameable Lust* by Rebecca Lenkiewicz 'a gripping vitality... It's striking how the overall tone is not stridently feminist, but quiet and matter-of-fact. Charged feels more urgent for it.' - Guardian 'unlocks the drama #150; and the pity #150; of tough justice.' - Time Out
