By Felipe Augusto de Souza Santos
Great book about the work of the Theatre du Soleil.

Over the past thirty years Ariane Mnouchkine's 'Theacute;acirc;tre du Soleil' has become one of the most celebrated

companies in Europe, and Mnouchkine one of its best-known directors. Collaborative Theatre is the first in-depth sourcebook in English on 'Theacute;acirc;tre du Soleil', providing English readers with first-hand accounts of the development of its collectivist practices and ideals. Collaborative Theatre presents critical and historical essays by theatre scholars from around the world as well as the writings of and interviews with members of le Theacute;acirc;tre du Soleil, past and present. Projects discussed include: 1789, L'Age d'Or, Richard II, L'Indiade and Les Atriades.

'...an important addition to the growing literature on the Theatre du Soleil and a valuable sourcebook.' - Theatre Journal
About the Author David Williams teaches in the Performance Studies program at Victoria University, Melbourne. He is the compiler of Peter Brook: A Theatrical Casebook and Peter Brook and the Mahabharata (Routledge 1991). He is also a theater director.
