Lizbeth Goodman : Contemporary Feminist Theatres: To Each Her Own (Gender in Performance) before purchasing it in order to gage whether or not it would be worth my time, and all praised Contemporary Feminist Theatres: To Each Her Own (Gender in Performance):

0 of 0 people found the following review helpful. Very goodBy MandisaReally great book for anyone interested in the under-researched topic of women's/feminist theatre and performance globally.

Contemporary Feminist Theatres is a major evaluation of the forms feminism has taken in the theatre since 1968. Lizbeth Goodman provides a provocative and interdisciplinary study of the development of feminist theatres in Britain. She examines the treatment of key issues such as gender, race, sexuality, language and power in performance. Based on original research and fresh data, Contemporary Feminist Theatres is a fully comprehensive and admirably clear analysis of a flourishing field of practice and inquiry.

"Goodman's book is full of great quotes, is useful as a factual resource, and above all show us many ways to make, and think about, feminist theatre different from our own.--The Women's of Books."
