**William Shakespeare, Emma Rice, Carl Grose : Cymbeline (Oberon Modern Plays)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cymbeline (Oberon Modern Plays):

WorobeI was hoping that was going to be an edited script of the Shakespeare play using Shakespeare's text. Boy, was I wrong. I had looked up "Shakespeare Oberon Books", so I thought this was Oberon scripts' edition of the Shakespeare play.

Nope. Very misleading. 0 of 0 people found the following review helpful. Five Stars  
By gkmbrilliant adaptation! so thrilled makes it available!

Twenty years after his two sons disappeared, King Cymbeline's only daughter Imogen plans to marry against his wishes. Enraged, Cymbeline banishes her childhood sweetheart Posthumus from court. He flees to Italy and makes a wager he'll soon regret. Cymbeline's new queen plots with her ghastly son Cloten. Emperor Caesar is on the war-path. And poor Joan (who's just got back from the Costa de Sol) hasn't got a clue what's going on! Kneehigh turn their unique storytelling style to one of Shakespeare's least performed plays. In a script packed with heart-stopping poetry and characteristic charm, their irreverent adaptation plays fast and loose with the Bard. The result is a wild, giddy and elemental adventure that swings from tragedy to comedy and back again. Never has confusion been such fun! Cymbeline was commissioned by and co-produced in association with the RSC for the Complete Works Festival.

About the Author Emma is the Artistic Director of Kneehigh and for them has directed a number of plays including The Red Shoes, for which she won Best Director 2002 in the Barclays TMA Theatre Awards; The Wooden Frock (nominated for Best Touring Production 2004, TMA Theatre Awards); The Bacchae (winner of the TMA Best Touring Production 2005), Tristan Yseult, Nights at the Circus and Cymbeline.
