Theodor Storm : Der Schimmelreiter (German Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Der Schimmelreiter (German Edition):

2 of 2 people found the following review helpful. This is worth a German lesson or two. By german redneck Born and raised in Germany I speak German fluently and I was really glad for this while reading "Der Schimmelreiter". This is available as a Dual language Novella, but while the English translation covers the essence of the Book, it doesn't even

come close to cover the nuances of the language. "Der Schimmelreiter" is the story about a man obsessed with water and how to contain it. Nowadays we would classify him with having a touch of OCD or possibly even autism, but the book was published in 1888 when those terms were not yet coined. Theodor Storm, one of the most beloved German authors, uses language like a great Painter uses color to tell the story of Hauke Haien, a farmer's son that marries "up" and becomes the new 'Deichgraf'. Storm uses strong language to describe Hauke's obsession and crafts his words to each character in the story by their importance. This is a fairly short read, but a beautiful one. If you are fairly fluent in German you will enjoy this, otherwise take another lesson or two before you read this - it will be well worth it. 1 of 1 people found the following review helpful. Es lohnt sich! By edeka1989 Das war das erste Mal, dass ich den "Schimmelreiter" gelesen habe. In der Novelle schafft Storm durch seine so bildreiche Sprache eine einzigartige Stimmung. Der Leser schwankt zwischen rau, unheimliche, gruselig und grausig. Die unbarmherzige Nordseeküste wurde wunderbar von ihm eingefangen. Storm hat eine einzigartige Mischung von Landgeschichte und Persönlichkeiten zusammengebracht und in eine historische "Geistgeschichte" verpackt! Es lohnt Storm zu lesen! 2 of 2 people found the following review helpful. Literary Ghost Story By Karen M. Carlson Sehr schöner Roman, der handelt sich um Gespenster, aber mehr mit einem Mann der in sich selbst eine unruhige Seele hat. My German is not good enough to fully appreciate the lyrical quality of this short novel, which is a fine literary piece as well as a highly engaging story of a troubled soul. It is a "frame" novel with a couple of layers. The main, inner story takes the protagonist from childhood through maturity and to the end of his life. While it is a ghost story, it is more the tale of a character haunted by aspects of his situation and his own character.

In dieser Novelle geht es um die Lebensgeschichte von Hauke Haien, die der Schulmeister eines Dorfes einem Reiter in einer Kneipe erzahlt. Die Deiche in Nordfriesland, wo die Geschichte spielt, spielen in Haukes Leben eine bedeutende Rolle. Am Ende stirbt Hauke mitsamt seiner Frau und seinem Kind einen tragischen Tod.
