**Cable, George Washington : Dr. Sevier** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dr. Sevier:

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact.

Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

About the AuthorCable was one of the greatest and most celebrated Southern writers of his day. He helped lead the Local Color movement of the late 1800s with his pioneering use of dialect and his skill with the short-story form. A Southern reformist, Cable faithfully depicted the Creole way of life during the transitional post-Civil War period.
