Bernard Kops : Dreams Of Anne Frank (Student Editions) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dreams Of Anne Frank (Student Editions):

1 of 2 people found the following review helpful. Thoroughly UnimpressedBy Timothy RybergI have to say that I was thoroughly unimpressed with this play. The author seems to be using the same characters that we all know and love, but most of them seem out of character. It's also a musical so every once in a while the characters burst out in song. This can be annoying; especially when you consider the fact that there is no music written for it. The authors tell people to write their own simple music. This is a disaster waiting to happen! The redeeming quality of the book is the other

"helps" that are included in it. They are very good and in depth despite how short they are. Overall, I do not recommend this purchase 0 of 0 people found the following review helpful. Best Edition by far By JIt has a much cleaner lay-out than another version I came across making it a A LOT easier to read and study. Plenty of extra research info through the beginning and final pages. LOVED IT!! Thank you

"In celebrating the spirit of optimism that shines through the thoughts and dreams of one extraordinary thirteen-year-old during the darkest of times, Bernard Kops has created a dramatic masterpiece" (Time Out)"This play has been a catalyst in stimulating young people not only to question the past but also to confront the very real issues of racism today." (Jenny Culank, Artistic Director of Classworks Theatre, Cambridge)In 1942 Anne Frank, a young Jewish girl, was forced into hiding with seven others in a secret annexe in Amsterdam. Dreams of Anne Frank vividly brings her story to life in a poignant and highly charged drama. Using actors, movement and song Bernard Kops re-imagines and explores Anne Frank's hidden world, a world in which she lived, fell in love and dreamed of freedom.Dreams of Anne Frank won the 1993 Time Out award for best children's production and has been performed around the world.Commentary and notes by Bernard Kops
