Tessa Bridal : Exploring Museum Theatre (American Association for State and Local History) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Exploring Museum Theatre (American Association for State and Local History):

Museum theatre can be one of the most effective and rewarding programs your institution ever undertakes, and it can be one of the most challenging! Some institutions shy away from theatre because it seems too foreign to their mission, while others take it on enthusiastically but with little understanding of its demands. In Exploring Museum Theatre Tessa Bridal, one of the leading experts in the field, helps bridge these gaps and leads you along the path to a

successful museum theatre program. She covers the philosophical and historical background including how to find your style, developing your first program, costs and funding, working with actors, directors, and other professionals, technical issues, evaluations, promotion, presenting difficult issues, collaborations, and historic interpretation. Appendixes and a bibliography round out this excellent reference.
