Feminist Theatre Practice: A Handbook is a helpful, practical guide to theatre-making which explores the different ways of representing gender. Best-selling author, Elaine Aston, takes the reader through the various stages of making

feminist theatre- from warming up, through workshopped exploration, to performance - this volume is organised into three clear and instructive parts: \* Women in the Workshop \* Dramatic Texts, Feminist Contexts \* Gender and Devising Projects. Orientated around the classroom/workshop, Handbook of Feminist Theatre Practice encompasses the main elements of feminist theatre, both practical or theoretical.
