Margery Mary Morgan : File On Wilde (Plays and Playwrights) before purchasing it in order to gauge whether or not it would be worth my time, and all praised File On Wilde (Plays and Playwrights):

Writer Files is an important series documenting the work of major dramatists of the last hundred years Oscar Wilde was born in Dublin in 1856. In the years following his graduation from Oxford in 1878 he published poems and stories which included The Picture of Dorian Gray. Lady Windermere's Fan was produced in 1892, A Woman of No Importance in 1893 and An Ideal Husband and The Importance of Being Earnest in 1895. Later work included De Profundis and The Ballad of Reading Gaol. He died in 1900. Each volume contains a comprehensive checklist of all the writer's plays, with a detailed performance history, excerpted reviews and a selection of the writers' own comments

on their work.
