Alex LaPerchia : Food for the Soul before purchasing it in order to gauge whether or not it would be worth my time, and all praised Food for the Soul:

Food for the Soul is a work of theology that sheds light on the history of Catholicism while discussing important issues facing the Church and our society today. Through a series of biographical plays, author Alex LaPerchia tells the stories of a variety of influential Catholic figures: the twentieth century popes who served as "beacons of light"; during the Holocaust; Venerable Louis of Granada, a renowned Dominican monk considered a theologian for

the laityrdquo;; Blessed Margaret of Castello, who overcame disability and adversity to devote her life to serving others; and Saint John Vianney, recognized by the Catholic Church as the patron saint of all parish priests. LaPerchia also explores his personal history as a Catholic and shares how God reveals Himself through all faiths.

Readers are in for an enthralling history lesson on Catholicism and a word of caution from author Alex LaPerchia in his latest book, *Food For The Soul*. . . .What is different about *Food For The Soul* is that the author explores the lives of several major influential Catholic figures through a dramatic and creative approach rather than just a straight historical narrative. . . .LaPerchia's narrative style and the book's format and variety help make *Food For The Soul* an entertaining and educational read and takes the reader on a spiritual journey that will help them find meaning and relevance in this world while preparing them for the world to come.
