John Russell Brown : Free Shakespeare: The New Expanded Edition (Shakespeare Editions) before purchasing it in order to gage whether or not it would be worth my time, and all praised Free Shakespeare: The New Expanded Edition (Shakespeare Editions):

2 of 2 people found the following review helpful. My essential Shakespeare TextBy Andy HarmonI have found this book to be the most helpful guide when it comes to understanding the Elizabethan theatre, how it differs from ours and what it has to offer us. I read it first in the 1970s and have kept a copy with me ever since. It is a wonderful, practical and inspiring book.0 of 0 people found the following review helpful. Shakespeare for actorsBy Paul SugarmanThis book is a wonderful guide to understanding of how Shakespeare was first performed and the possibilities of how his work can be performed now. Also his vision of actor based performance has helped inspired many Shakespeare productions and companies.

(Applause Books). This expanded edition of Free Shakespeare is a tool to liberate the works of Shakespeare from directors and academics who seek to impose their ideas upon the plays. John Russell Brown empowers actors and readers to approach the plays freshly and boldly armed with the many different interpretations inherent in the plays. Recognized as a benchmark for the understanding of Shakespearean performance in the twentieth century, a new chapter explores the technological and funding challenges facing Shakespearean productions in the next millennium.
