William Baker : Harold Pinter (Writers Lives) before purchasing it in order to gage whether or not it would be worth my time, and all praised Harold Pinter (Writers Lives):

2 of 3 people found the following review helpful. A Literary Standard-Bearer
By John Dowell
William Baker's Harold Pinter affords readers with a comprehensive, career-spanning analysis of the Nobel Laureate's life and art. A deft and eminently rewarding exploration of one of postwar literature's great masters, Baker's study will become the standard-bearer for our understanding and enjoyment of Pinter's time-eclipsing work.

Harold Pinter is one of the most important writers in English of the late twentieth century and early twenty-first century. This brief biography offers fresh insights into his life and work, concentrating on the themes, patterns, relationships, ideas and language common to his life and creative output. Placing Pinter's life and work alongside each other, the study illuminates Pinter's vision of society, politics, gender, sex, violence and human relationships. Drawing upon the full-range of his work, his letters, journalism, and writings about him, Baker combines a biographical approach with close (re)readings of his work to create a fresh perspective on his life and art. The book offers students, academics and readers a rich depiction of Harold Pinter, the man and the writer.

"William Baker's Harold Pinter affords readers with a comprehensive, career-spanning analysis of the Nobel Laureate's life and art. A deft and eminently rewarding exploration of one of postwar literature's great masters, Baker's study will become the standard-bearer for our understanding and enjoyment of Pinter's time-eclipsing work." - Professor Ken Womack, Penn State University, USA
