T. Fleckenstein : Institutions, Ideas and Learning in Welfare State Change: Labour Market Reforms in Germany (New Perspectives in German Political Studies) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Institutions, Ideas and Learning in Welfare State Change: Labour Market

Reforms in Germany (New Perspectives in German Political Studies):

Investigates the transformation of German labour market policy, showing that Germany has departed from the conservative-corporatist path of welfare, especially with the Hartz Legislation of the Red-Green government.

Recommended by CHOICE. About the Author TIMO FLECKENSTEIN Lecturer in Social Policy at the London School of Economics and Political Science, UK. His research interests include the politics of social policy, labour market policy and family policy.
