Adrian Mitchell : Just Adrian (Oberon Masters Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Just Adrian (Oberon Masters Series):

Just Adrian is a patchwork tour of a legendary playwright, poet and activists's life in the theatre. It is a fascinating first-hand account of groundbreaking productions featuring figures like Kenneth Tynan, Peter Brook and Peter Hall as well as adventures in alternative theatre. These writings explore Adrian's many interests, from drama for children to musical theatre, in a voice that combines playful irreverence with compassion and insight. Taken together, they are

a funny, moving testament to a great theatre lover. "A window into the soft and beautiful genius that was Adrian Mitchell." — Camden New Journal "A tribute, an autobiography and a quirky portrait." — The Stage

"A window into the soft and beautiful genius that was Adrian Mitchell." — Camden New Journal "A scrapbook [compiled] to reflect one man's love affair with the theatre... a splendid read that pays homage to an unusual, dedicated man" — British Theatre Guide
