**Lara Foot Newton : Karoo Moose (Oberon Modern Plays)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Karoo Moose (Oberon Modern Plays):

In a remote and impoverished village in the Karoo, South Africa, a young girl, Thomaza, struggles to survive. A

violent and terrifying incident and a chance encounter with an escaped moose changes her life forever. A story of pain, redemption and hope, combining traditional African storytelling and magical realism the multi-award-winning Karoo Moose was first produced by the Baxter Theatre, Cape Town.
