**Benjamin Tallmadge : Memoir of Colonel Benjamin Tallmadge** before purchasing it in order to gage whether or not it would be worth my time, and all praised Memoir of Colonel Benjamin Tallmadge:

0 of 0 people found the following review helpful. Very cool to read but know the history first to understand the memoir more completely. By JI thought this was cool to read Tallmadge's own words. I wish it was longer. I think it certainly requires that you know the history previously since he doesn't usually mention the battles by name per se. He also says very little about heading the spy ring. This was noted in a previous review so I didn't expect those details. Still, the man was just a great person in every way and I was happy to read it. PS: The AMC series, "TURN", spurred my interest in this period above even what I previously had. 11 of 12 people found the following review helpful. A very interesting read. By History1585 This memoir is a source of the "Secret Six" work of Brian Kilmeade, although Tallmadge does not go into detail of the spy ring, he also only makes minor mention of General Charles Scott whom was General Washington Chief of Intelligence, sidelined by Washington for losing three of five spies to the British. It is

most interesting as a witness to the events he was involved in during the American Revolution. 0 of 0 people found the following review helpful. American Patriot By Bill Benson Thoroughly enjoyed this review of Major Tallmadge's journey through the Revolutionary period and beyond. Highly recommended. Well worth the time.

Benjamin Tallmadge Was an American military officer, spy master and politician. He is best known for his service as an officer in the Continental Army during the American Revolutionary War. In this conflict he acted as leader of the Culper Ring, a celebrated network of spies in British-occupied New York. He also led a successful raid across Long Island that culminated in the Battle of Fort St. George. Following the war, Tallmadge was elected to the United States House of Representatives as a member of the Federalist Party (Font: Wikipedia).
