Chris Goode : Monkey Bars (Oberon Modern Plays) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Monkey Bars (Oberon Modern Plays):

When you're a child you don't really think... cos you like to live like a child. Doesn't really seem you're just going to be an adult. Like time flies by and you just want... to, like, stay as a child, but you just enjoy things, the way it

goes. Award-winning writer Chris Goode asked thirty 8-10 year olds to talk about their lives, their thoughts, their world. In Monkey Bars their words are spoken by adults. Not adults playing children, but adults playing adults, in adult situations. Monkey Bars is a revelatory verbatim show that is funny, touching and endlessly surprising.

"Excellent... Occasionally moving and somewhat satirical... sweet and funny." Time Out(London)"Delightfully surreal... highly entertaining... Hilarious and poignant by turns." Telegraph"A funny, touching, diffuse look at The Big Questions... crisply perfect... It moves you. It makes you think. It makes you laugh and it makes you well up more than once." Five stars. What's On Stage"Beautifully pitched... an eye-opening, refreshing pleasure." Independent
