**Torben Betts : Muswell Hill (Oberon Modern Plays)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Muswell Hill (Oberon Modern Plays):

One night in January 2010 and an earthquake in Haiti leaves around a hundred thousand people dead and almost two

million homeless. Meanwhile, somewhere in a leafy North London suburb, a group of six individuals convene over avocado and prawns, followed by a monkfish stew. They struggle with worries over their mortgages, their mobile phone tariffs, their Facebook friends, their careers, their love lives, their diets, their alcohol intake, their holiday plans and whether or not any of them will be able to make any lasting impression on history. Torben Betts is one of the most exciting theatre writing talents I have come across in many a year; Betts has a profound and highly original theatrical voice; - Daily Telegraph; Just about the most original and extraordinary writer of drama we have... a boldly visionary poet... a political Beckett... a flamingly original writer we ignore at our peril.' - Liz Lochhead, National Poet Of Scotland; What starts out as a mildly amusing comedy of social dysfunctionality turns into something altogether darker and less comfortable; - The Stage; A fantastic new play; accurate and witty writing; This stunning and moving play presented the drama and tragedy of everyday middle class life in a simple but believable style; an absolute triumph; 5 stars; The Public Reviews

What starts out as a mildly amusing comedy of social dysfunctionality turns into something altogether darker and less comfortable; - The Stage; A fantastic new play; accurate and witty writing; This stunning and moving play presented the drama and tragedy of everyday middle class life in a simple but believable style; an absolute triumph for both writer and actors. 5 stars; The Public; Fresh and funny; Spot-on; - The Guardian
