Can't get enough of Nicki!By Portia Lane MartinJust when you think you've seen or read all you can on Nicki Minaj, entertainment industry insider Isoul Harris pens Nicki Minaj: Hip Hop Moments for Life. I genuinely love chapter 6 God Gave Me Style. It's a great spin on her fashion sense and inspirations including Grace Jones, Cyndi Lauper and Boy George. This is an awesome gift for the Barbz and Ken Barbz for certain!!!0 of 0 people found the

Later, he wrote for People, Peach, 944, Upscale and Uptown magazines. He masterfully wrote for those lifestyle magazines, and he had a way of enticing his readers. I always felt like I was tasting foods he described, listening to the music he covered, or like I was speaking with the pop artist (of the moment) that he was interviewing. This book is the natural progression of an artist, a writer who curated his career. The result? This book. His style is just as colorful and vivid as I remember. Great piece. Great book. The 'Barbs' would be proud...

Hip Pop Moments 4 Life explores Onika Tanya Maraj's spectacular transformation from early childhood in Trinidad via her days as an unknown rapper on the New York underground scene to fully-fledged songwriter, international star and chart topper. With exhaustive research, exclusive quotes, insider information and a never-before-published interview with Nicki Minaj herself, this smart book presents every aspect of the rapper's life: the complicated relationship with her father; the real story behind her unbelievable record deal with Lil Wayne and Young Money Records; and why she has been ambiguous about her sexuality. The author explores all of this and much more in a book packed with juicy news and beautiful pictures: the ultimate guide to all things Minaj.
