**Shawn Wahl : Persuasion in Your Life** before purchasing it in order to gage whether or not it would be worth my time, and all praised Persuasion in Your Life:

Persuasion in Your Life speaks directly to the student by focusing on actual life experiencesndash;from critically viewing persuasive public campaigns to making business and health care decisions. The book reflects a balance of theory and application and draws material from communication, psychology, and other disciplines. Through its use of rhetoric, criticism, and social scientific research, the book helps readers understand, analyze, and use persuasion in their life and career.
