Adrian Frazier : Playboys of the Western World: Production Histories (Drama) before purchasing it in order to gage whether or not it would be worth my time, and all praised Playboys of the Western World: Production Histories (Drama):

The first half of 'Playboys' is a series of production histories of Playboy performances through the twentieth century in the UK, Northern Ireland, the USA, and Ireland. The remainder focuses on the acclaimed production Druid Theatre, as directed by Garry Hynes and starring Cillian Murphy and includes a round-table discussion with Hynes. Contributors: Ophelia Byrne, Leila Doolan, Adrian Frazier, Nicholas Grene, John P. Harrington, Garry Hynes, Mary C. King, Bill

(W.J.) McCormack, Lionel Pilkington, Paige Reynolds

"The book is remarkably well-focused: half is a series of production histories of Playboy performances through the twentieth century in the UK, Northern Ireland, the USA, and Ireland. The remainder focuses on one contemporary performance, that of Druid Theatre, as directed by Garry Hynes. The various contemporary social issues that are addressed in relation to Synge's play and this performance of it give the volume an additional interest: it shows how the arts matter."
