**Mr. Richard Stites : Serfdom, Society, and the Arts in Imperial Russia: The Pleasure and the Power** before purchasing it in order to gage whether or not it would be worth my time, and all praised Serfdom, Society, and the Arts in Imperial Russia: The Pleasure and the Power:

Serf-era and provincial Russia heralded the spectacular turn in cultural history that began in the 1860s. Examining the role of arts and artists in society's value system, Richard Stites explores this shift in a groundbreaking history of visual and performing arts in the last decades of serfdom. Provincial town and manor house engaged the culture of Moscow and St. Petersburg while thousands of serfs and ex-serfs created or performed. Mikhail Glinka raised Russian music to new levels and Anton Rubinstein struggled to found a conservatory. Long before the itinerants, painters explored town and country in genre scenes of everyday life. Serf actors on loan from their masters brought naturalistic acting from provincial theaters to the imperial stages. Stites's richly detailed book offers new perspectives on the origins of Russia's nineteenth-century artistic prowess.
