**Gary Duggan : Shibari** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Shibari:

Irsquo;ve started to recognise complete strangershellip;An ad sales team leader on a joyride to self-destruction. A

Romanian bookshop employee who wants to try something new. An entertainment journalist who wants out. A restaurant manager who mourns a suicide. An English movie star who seeks credibility by slumming it in theatre. A Japanese florist who feels it's time to take another chance. Relationships are strained, snapped and formed in this modern-day look at life in a multi-cultural Dublin.

'Engaging, detailed and fiendishly clever.' - Irish Times
