I'm not afraid, Tom. Sooner or later your life becomes parched. Its rivers run thin. Its mountains have melted into the distance as blue and cool as memories. An ordinary couple with an extraordinary love relive their darkest secrets, deepest passions and heart-breaking truths. Throughout all the moments of doubt that life has thrown at them, as long

as they can be together, they wouldn't change a thing. This is their final opportunity to say all the things they never had the chance to say before.

Warm, honest and touching, Epsilon have created a triumph.rdqquo; Claire Arnold, *Audience About the Author*Gary Henderson is a playwright and director from New Zealand whose plays have been professionally produced around New Zealand, in South Africa, Australia, Great Britain, Canada and the United States.
