**Sophocles : Sophocles: The Seven Plays in English Verse** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sophocles: The Seven Plays in English Verse:

0 of 0 people found the following review helpful. Good ProductBy CustomerI needed this for school, but it didn't contain line numbers and I really needed that for my paper and tests.1 of 1 people found the following review helpful. I love it!By C AveryI have been looking for a book that had all 7 plays in it for a low cost. I would definitely reccomend it to anyone.24 of 26 people found the following review helpful. No line breaksBy PJBBecause the line breaks of the original verse have been lost, this edition is extremely hard to read.

Included herein are the seven surviving plays of Athens' pre-eminent playwright, Sophocles, masterfully translated by Lewis Campbell, M.A., LL.D. The plays included are: 'Antigone,' 'Aias,' 'King Oedipus,' 'Electra,' 'The Trachinian Maidens,' and 'Oedipus at Colonus.'

About the Author Aeschylus was Greece's leading playwright between his first victory at the festival Dionysus in 484 B.C.E. until his death, winning thirteen first-place crowns in that period. His epitaph boasts only that he fought bravely for Athens at the Battle of Marathon.
