Arthur Koch, Jason Schmitt : Speaking With A Purpose before purchasing it in order to gage whether or not it would be worth my time, and all praised Speaking With A Purpose:

0 of 0 people found the following review helpful. One StarBy CustomerPearson seemed to have no proof reader on staff for this book. The text is littered with grammar errors such as periods where there should be colons, missing commas, and serious idiom errors like "all intensive purposes."The examples in the book are childish and poorly selected. This is a very poor choice for a college textbook, and at \$57 for a 130 page (including index) paperback, it borders on robbery. Run of the mill for Pearson these days.0 of 0 people found the following review helpful. I wasn't

expecting for the book to be so beat ...By Marissa ClarkI wasn't expecting for the book to be so beat up. The whole top back cover is cut off and missing. Weird.0 of 0 people found the following review helpful. Five StarsBy CustomerCame in near perfect condition

Effective speechmaking is vital to anyone who needs to get up in front of an audience. From businesspeople, lawyers, politicians, and clergy to committee chairs, teachers, concerned citizens, and storytellers, competent public speaking is vital to the speaker's credibility. **KEY TOPIC:** This brief, step-by-step approach to the speechmaking process allows readers to concentrate on the preparation, practice, and presentation without getting bogged down in theoretical discussion. Topics include: getting started, audience analysis, supporting ideas and material, preparation, delivery, and more. **MARKET:** Ideal for anyone who has to prepare a speech.
