curious directive : Spindrift (Modern Plays) before purchasing it in order to gage whether or not it would be worth my time, and all praised Spindrift (Modern Plays):

ndash;Quantum mechanics is one of those topics that's always just there in a like a super 'I'm so clever' conversation about the grey areas of science. You know, two places at once, walk through walls kind of stuff.ndash;It's attractive-ndash;It's attractive because it's so spooky.In a cold converted garage by the sea, a science podcast troupe rehearse

their next episode. Spindrift follows three sisters as they untangle what happened to their father when he disappeared whilst sailing around the world, 20 years ago. A mysterious, heart-breaking triptych, Spindrift traces the invisible waves orchestrating the boundaries of the natural world and examines family, endurance and the paths we choose. Two-time Fringe First-winning, curious directive tell their story with trademark visual storytelling with 3D animation, video projection and motion capture technology. Spindrift is a life-affirming story for anyone who has sat on the shore and stared out to sea for hours on end.
