Jean Benedetti's *Stanislavski* is the clearest and most succinct explanation of Stanislavski's writings and ideas, especially those in the Stanislavski's acting trilogy *An Actor Prepares*, *Building a Character*, and *Creating a Role*; a staple of every actor's library. Now available in an attractive new edition, *Stanislavski: An Introduction* provides the perfect guide through the Master's writing.

"This small jewel of a book offers a knowledgeable introduction to both Stanislavski's personal development and to the content and range of his theoretical writings." - *Theatre Journal* . . . of peak interest and value to every serious student of acting theory . . . [and] an integral part of Stanislavski literature." - *Choice About the Author* Jean Benedetti is the biographer of Stanislavski and the author of many works of criticism as well as plays.
