Ms Erin Julian : The Alchemist: A Critical Reader (Arden Early Modern Drama Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Alchemist: A Critical Reader (Arden Early Modern Drama Guides):

The eponymous alchemist of Ben Jonson's quick-fire comedy is a fraud: he cannot make gold, but he does make

brilliant theatre. *The Alchemist* is a masterpiece of wit and form about the self-delusions of greed and the theatricality of deception. This guide will be useful to a diverse assembly of students and scholars, offering fresh new ways into this challenging and fascinating play.

“*The Alchemist, A Critical Reader* is an excellent source for a teacher or researcher who is tackling the play and for the interested students who wish to carry their investigations of the play beyond the classroom lecture.”
—Kenneth Tucker, Murray State University, *The Shakespeare Newsletter*
