Brad Birch : The Brink (Modern Plays) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Brink (Modern Plays):

It's what life does to you. We don't have time to waste. Worrying over the small stuff while the big stuff takes its toll. You're living and then . . . boom. At 27, History teacher Nick is on the edge. A hidden secret lies under the Brink. Nick can't get it out of his mind. A series of visions force Nick to investigate what lies beneath. Nick's girlfriend doesn't

understand. Neither do his fellow teachers. Frustrated, he confides in a Year 10 student but can she be expected to have all the answers? *The Brink* is an arch but affecting parable for the times we live in. This edition was published to coincide with the play's world premiere at the Orange Tree Theatre, London, in April 2016.
