**David Storey : The Changing Room (Modern Plays)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Changing Room (Modern Plays):

"David Storey is a writer who genuinely extends the territory of drama" (Guardian)The Changing Room: "It's about exactly what it is: Storey offers us, with an unforced tenderness, the shifting moods of everyday experience...the scene is busy, purposeful and exhilarating. You'd never imagine realism could be this theatrical...The Changing Room takes

you into its world in a way few plays achieve." (Independent on Sunday)
