**Arnold : The Creative Spirit: An Introduction to Theatre** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Creative Spirit: An Introduction to Theatre:

Focusing on the collaborative process, The Creative Spirit 6e introduces students to theatre through the plays themselves and the playwrights, directors, actors, and designers who combine their talents to create the theatre event. The Creative Spirit provides a rich context for each play included, with a discussion of the playwright's biography and sources, historical and cultural timelines, and a case study of a particular production of the play so that students can experience theatre from the inside. All of the materials for a complete course are presented together in one volume.
