Simon Stephens : The Curious Incident of the Dog in the Night-Time GCSE Student Edition (GCSE Student Editions) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Curious Incident of the Dog in the Night-Time GCSE Student Edition (GCSE Student Editions):

Written specifically for GCSE students by academics in the field, the Methuen Drama GCSE Student Editions provide in-depth explanatory material alongside the play texts frequently studied at Key Stage 4. Whether for use in the classroom or independent study, these editions offer a fully comprehensive and lightly glossed play text with accompanying notes specifically directed towards readers of this age, which unravel essential topics and challenge all students to delve further into literary analysis. In Simon Stephens's multi-award-winning stage adaptation of *The Curious Incident of the Dog in the Night-Time*, based on Mark Haddon's novel, Christopher's investigation into the death of the neighbour's dog tears his world apart and confronts him with the struggle to survive when everything feels foreign. In addition to some on-page explanatory notes and the play text itself, this edition contains sub-headed analyses of themes, characters, context and dramatic devices, as well as background information on the playwright. The Methuen Drama GCSE Student Editions never lose sight of their readership, and offer students the confidence to engage with the material, explore their own interpretations, and improve their understanding of the works.

“True to the original novel, Simon Stephens's version drips with ideas”; Evening Standard
