Eric Morris, Arnold Schwarzenegger : The Diary of a Professional Experienter before purchasing it in order to gage whether or not it would be worth my time, and all praised The Diary of a Professional Experienter:

0 of 0 people found the following review helpful. Inspiring, invigorating and uniqueBy Marcus E PetersonIt's a great bio of a pioneer and unlike any other voice in the acting world. Inspiring to hear his story from his perspective and to experience a life journey of being a craft person in this thing called acting.0 of 0 people found the following review helpful. Awesome. Great to know the story behind the legend.By Chris M. CrandallI loved reading the journey of the man who developed this incredible system of acting. The autobiography gave me insight into Eric's life and shed light on how he came to developing the "Eric Morris System of Acting".

The Diary of a Professional Experiencer is the sixth in a series of books written by Eric Morris. Unlike his other books, this is a very personal account of his frustrations and struggles as he strives to discover how the actor creates reality on the stage or in film. Though the style is autobiographical, this is, nevertheless, a book about acting. It details the specific discoveries and breakthroughs in the evolution of what Morris believes is the most complete acting system to date. The old adage, Necessity is the mother of invention, truly describes his drive to discover, explore, and experiment with incredible techniques for liberating the actor so that acting goes beyond the conventional into the experiential. The book also chronicles Morris' encounters with many famous teachers, actors, directors, producers, and writers, as well as not-so-famous people, who influenced, challenged, and inspired him on his journey. It starts with Morris' early childhood and growing-up years in Chicago and goes on to describe the trials and tribulations of pursuing a career in Hollywood, as well as the fulfillment that comes from creating a truly life-changing approach to living and acting.
