Hideki Noda, Colin Teevan : The Diver (Oberon Modern Plays) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Diver (Oberon Modern Plays):

Drawing on the themes of cruelty, imperialism and betrayal, Hideki Noda and Colin Teevan's new play, The Diver,

ingeniously links the ancient Japanese Tales of Genji with a Noh theatre play and a contemporary murder. In a production at Soho Theatre award-winning actress Kathryn Hunter rejoined legendary Japanese director Hideki Noda and the team behind Soho/Tokyo hit play *The Bee* for this physical and inventive collaboration. *The Diver* opened at the Soho Theatre in June 2008.
