James Fritz : The Fall (NHB Modern Plays) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Fall (NHB Modern Plays):

Two teenagers sneak into an old man's home for a secret meeting. A young couple try to build their future whilst looking after an ailing parent. A care home offers its residents the opportunity to unburden their children. James Fritz's The Fall asks how much can a younger generation, dispossessed and disenfranchised, truly empathise with the old

ndash; especially when their future is at stake? It was premiered by the National Youth Theatre at the Finborough Theatre, London, in 2016. The play offers ideal material for teenagers to read, study or perform.
