**Raina S. Ames : The High School Theatre Teacher's Survival Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised The High School Theatre Teacher's Survival Guide:

0 of 0 people found the following review helpful. yesBy Baton Rouge Boyyes yes yes yes yes yes yes yes yes yes yes yes12 of 14 people found the following review helpful. Good Information, But ....By R. GalambosI found this book extremely preachy - and if I as a theatre student thought so, a seasoned theatre teacher definitely will. It could use some more chapters on curriculum and lessons, she skims but doesn't give the instruction a novice needs.

A reference for high school theatre teachers covering both curricular and extracurricular problems ndash; everything from how to craft a syllabus for a theatre class to what to say to parents about a student's participation in a school play.

About the Author Raina S. Ames is Director of Theatre Education for the Department of Theatre and Dance at the University of New Hampshire. She has also taught high school theater, speech, and English.
