Hans Christian Andersen, Pam Gems : The Little Mermaid (Oberon Modern Plays) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Little Mermaid (Oberon Modern Plays):

On the Little Mermaid's fifteenth birthday she visits the world above the sea for the first time and falls in love with a

prince whom she rescues from a storm....Capturing the magic and cruelty of Hans Christian Andersen's original tale, this powerful new version reveals the spectacle of the worlds below and above the sea, and the sadness of unfulfilled romance between a mermaid and a prince.This was a touring production by Sphinx Theatre Company which opened at Greenwich Theatre in September 2004.
