D. Soyini Madison, Judith A. Hamera : The SAGE Handbook of Performance Studies before purchasing it in order to gage whether or not it would be worth my time, and all praised The SAGE Handbook of Performance Studies:

The SAGE Handbook of Performance Studies brings together, in a single volume, reviews of the major research in performance studies and identifies directions for further investigation. It is the only comprehensive collection on the theories, methods, politics, and practices of performance relating to life and culture. Edited by D. Soyini Madison and Judith Hamera, this Handbook serves scholars and students across the disciplines by delineating the scope of the field, the critical and interpretive methods used, and the theoretical and ethical presumptions that guide work in this exciting

and growing area.

"College-level reference holdings will appreciate this single-volume set of surveys of the major research in performance studies: the only comprehensive gathering to analyze and pose the theories, methods, politics and practices of performance as it relates to life and culture. Here is a meeting point for history, theory, and literature which uses the foundations of performance theory and methods to help readers understand how it's applied across the board between disciplines."--James A. Cox "The Midwest Book " (06/08/2006)-College-level reference holdings will appreciate this single-volume set of surveys of the major research in performance studies: the only comprehensive gathering to analyze and pose the theories, methods, politics and practices of performance as it relates to life and culture. (James A. Cox The Midwest Book 2006-06-08)About the AuthorD. Soyini Madison is professor of Performance Studies and Anthropology, and served as Interim Director of the Program in African Studies at Northwestern University. She is the author of *Acts of Activism: Human Rights as Radical Performance* (2010, Cambridge UP) and the co-editor with Judith Hamera of the *SAGE Handbook of Performance Studies* (2006, SAGE). Madison lived in West Africa as a Senior Fulbright Scholar and has conducted field research over the past ten years on the performance tactics of local human rights activists in Ghana. Judith Hamera received her B.A. (1980) in Mass Communication from Wayne State University and her M.A. (1982) and Ph.D. (1987) in Interpretation and Performance Studies respectively from Northwestern University. She is currently the Acting Associate Dean of the College of Arts and Letters, and Professor of Communication Studies and Theatre Arts and Dance at California State University, Los Angeles. She has served as Editor of *Text and Performance Quarterly*, the journal of the National Communication Association Division of Performance Studies. Her publications have appeared in *Cultural Studies*, *TDR: The Drama*, *Modern Drama*, *Text and Performance Quarterly*, *Theatre Topics*, and *Women and Language*. She is the recipient of the National Communication Association's Lilla Heston Award for Outstanding Scholarship in Interpretation and Performance Studies, and was named President's Distinguished Professor at California State University in 2004. She is coeditor, with D. Soyini Madison, of the *SAGE Handbook of Performance Studies*.
