Adrian Mitchell : The Snow Queen (Oberon Book) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Snow Queen (Oberon Book):

A celebrated adaptation of Hans Christian Andersen's classic tale of friendship and loyalty. Gerda and Kai are

faithful companions until one day Kai is snatched away by the wicked Snow Queen. Gerda sets out across the frozen wastes to rescue her friend. During her treacherous journey she encounters many strange and wonderful characters: some of them try to stop her finding Kai, and others help her on her way.
