William Shakespeare : The Tragedy of Coriolanus before purchasing it in order to gage whether or not it would be worth my time, and all praised The Tragedy of Coriolanus:

2 of 2 people found the following review helpful. DON'T BUY THIS.By Karen GrovesThis is NOT an annotated copy of the text. It is simply the text, no additions, with a biography of Shakespeare tacked onto the end. Also, in the "List of Works" included with the biography, it lists all the "Histories" as "Comedies".I'm trying to study this play, and this text was a complete waste of time. I'm about to start searching again for an ANNOTATED copy of Coriolanus.0 of 0 people found the following review helpful. Shakespeares greatBy lizzb92I love Shakespeare and this one is great, not one of my top loves but is a great easy one to read.1 of 2 people found the following review helpful. Bold proud

warriorBy Mary E. SibleyCoriolanus does not want to seek votes just because he was wounded fighting for his country. Men agreed Coriolanus is too noble for this world. His nature mars his fortune. He has an angry tongue. Coriolanus is told he is too absolute. He is to be banished. Some of the officials consider him a traitor. When Coriolanus dies saving Rome, he dies a victim of pride.This Shakespearean drama is surprisingly unbright, dull. Since it is Shakespeare, it is still better than almost anything else.

Vengeance and War-- Rome is in turmoil, there is rioting in the streets and open warfare between the varying ruling factions. Coriolanus would bring peace and order to Rome, but will Rome let him? You common cry of curs! whose breath I hate As reek o' the rotten fens, whose loves I prize As the dead carcasses of unburied men That do corrupt my air,-I banish you.

About the AuthorWilliam Shakespeare was an English Poet, actor, playwright. He is the greatest writer in the English language in the World and the world's Greatest dramatist and Playwright. He was baptised the 26 April 1564 and died the 23 April 1616. He is often called England's National Poet and the Bard of Avon. William Shakespeare works consist of about 38 plays, 154 sonnets, two narrative poems, and a few other verses, the authorship of some of which is uncertain. His plays have been translated into every language and are performed more often than those of any other playwright. William Shakespeare is the Father of modern Literature.
