D.H. Lawrence : The Widowing of Mrs Holroyd: Full Text and Introduction (NHB Drama Classi) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Widowing of Mrs Holroyd: Full Text and Introduction (NHB Drama Classi):

The NHB Drama Classi series presents the world's greatest plays in affordable, highly readable editions for students,

actors and theatregoers. The hallmarks of the series are accessible introductions (focussing on the play's theatrical and historical background, together with an author biography, key dates and suggestions for further reading) and the complete text, uncluttered with footnotes. The translations, by leading experts in the field, are accurate and above all actable. The editions of English-language plays include a glossary of unusual words and phrases to aid understanding. Lawrence's second play, written in 1910 but unpublished until 1914, is an intense and powerful drama in the naturalist tradition, set in a Nottinghamshire mining town. This edition includes an introduction by Colin Counsell, a glossary of difficult words, a chronology and suggestions for further reading.

About the AuthorD. H. Lawrence (1885 1930), English novelist, poet, short-story writer, and essayist who profoundly influenced modern English fiction.
