Marcel Proust : Time Regained before purchasing it in order to gage whether or not it would be worth my time, and all praised Time Regained:

0 of 0 people found the following review helpful. Oh dear!By JamesThere were too many typos in this edition. It spoilt what is otherwise an excellent concluding volume. I hope is able to arrange the proper editing of this book.0 of 0 people found the following review helpful. Five StarsBy Peter Albert McKayA Great Work- beautifully resolved.1 of 1 people found the following review helpful. FantasticBy gail wellerThese recordings of Remembrance of Things Past are beyond wonderful. Buy them without hesitation. You will listen to them over and over.

In this literary work (published posthumously in 1927) Marcel Proust is dying. He, looking at the photographs of his youth and brings to mind at that time. He remembers his mistresses and is aware of the transition from the great war reach society as a whole. The memories move freely back and forth in time: we find Proust in various historical

periods that interacts with Odette, with the beautiful Gilberte and her husband, with the lustful Baron de Charlus, with his lover Albertine and with the most disparate characters in his life. This volume includes a noteworthy episode describing Paris during World War Ihellip;.
