Oscar Wilde : Vera, Or The Nihilists before purchasing it in order to gage whether or not it would be worth my time, and all praised Vera, Or The Nihilists:

1 of 1 people found the following review helpful. Some good, but weak plot in the middle and endBy James JenkinsOther then Act III, most of the book is fairly cute and funny. There are a lot of interesting lines in the first part of the book through act II. Then the plot starts to suffer from "dumb and dumber" plot movements. I forced myself through act III, and found the end of the book not so bad, but not so good either. The beginning makes the book worth reading, and then you have to read the ending for closure. It is a relatively short work, so not a big loss, if you feel obligated to finish it. Definitely read up to act III.0 of 0 people found the following review helpful. Good bookBy

KirillThe first piece magnificent Wilde. Simple plot, but as always stunning humor.0 of 0 people found the following review helpful. Five StarsBy Timothy Snellpretty short and, uh, to the point

After becoming involved with the Nihilist movement and being trained as an assassin, Vera falls in love with Alexis, another member of the group. But Vera soon finds out that the truth about Alexis puts the two of them at odds, and she will have to choose between him and her cause.Loosely based on the life of Russian revolutionary Vera Zasulich, Vera was not performed until years after it was written, when an American actress, Marie Prescott, and her husband purchased the rights to perform the play.HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

About the AuthorOscar Wilde (1854 1900) was born and raised in Dublin, Ireland. Wilde studied at Trinity College in Dublin and at Magdalen College in Oxford, England, before settling down in London and having a long, successful career as a poet, playwright, and author. Wilde is best known for his novel *The Picture of Dorian Gray* and for his satirical play *The Importance of Being Earnest*.
