Anthony Weigh : Welcome Home, Captain Fox! before purchasing it in order to gauge whether or not it would be worth my time, and all praised Welcome Home, Captain Fox!:

It's the legendary hot summer of 1959 and while the Cold War rages and America tunes into I Love Lucy, Captain Jack Fox - believed missing in action in the fields of France fifteen years before - is about to be reunited with his

family in the Hamptons. But is this really Jack Fox? And if it isn't, who is this man? And why are there twenty-two other families so intent on claiming him as their own? A sparkling comedy of identity, lost and found, based on Jean Anouilh's hit 1937 play, *Le Voyageur sans bagage*, Anthony Weigh's *Welcome Home, Captain Fox!* premiered at the Donmar Warehouse, London, in February 2016.
